This past year a new Congress continued the unproductive ways of the last several Congresses, especially in areas that affect retirees. As America ages, issues like retirement security, the declining availability of guaranteed pensions and threats to the Social Security and Medicare systems continue. Seniors and the nation deserve better.

Many in Congress continued to attack our core retiree programs of Social Security, Medicare, and Medicaid as well as the pro-retiree provisions of the 2010 Affordable Care Act. In contrast, while attacks on core retiree programs continued, income inequality grows larger. For more than a decade, the wealthiest Americans have received trillions in tax breaks while older Americans have seen rising drug, health care, food, and energy costs. Americans continue to pay the highest prescription drug prices in the world. Yet Congress did nothing to stop it.

November 2018 saw the work of Congress judged at the election polls. Retirees, who vote in the greatest numbers, and the American people elected a new majority to the U.S. House. Whether the new Congress will be friendly to our issues depends in large part of the activism of Alliance members and all seniors. It is up to us to advocate for those issues on which older Americans depend for a respectable quality of life in retirement.

This Voting Record reflects how committed our elected representatives are to retirees and older Americans. Use it to educate yourself on where your elected representatives stand. Get active today and help create an America that protects the health and economic security of seniors, strengthens families and builds safe and thriving communities.

HOUSE VOTES

The following is a list of ten key votes selected as representative of the votes of critical importance to retirees taken by the U.S. House of Representatives:

1 Weaken ADA Protections

Rep. Poe, R-TX, introduced a bill to roll back the protections in the Americans with Disabilities Act (ADA) law. The bill would not allow individuals to sue businesses who are out of compliance with ADA protections without first giving them 120 days of notice. The bill passed 225-192. A **NO** vote is a pro-retiree vote. H.R. 620, Roll Call 80, February 15, 2018.

2 Balanced Budget Amendment

Rep. Goodlatte, R-VA, introduced a Balanced Budget Amendment that would force cuts in many government programs like Medicaid. The government would be unable to use funds in the Social Security (\$2.9 trillion) and Medicare (\$200 billion) trust funds to pay benefits or pay providers. A **NO** vote is a pro-retiree vote. The resolution failed 233-184. Two-thirds majority required for passage. H.J.Res. 2, Roll Call 138, April 12, 2018.

3 Budget Rescission

Rep. McCarthy, R-CA, introduced a bill that rescinds \$15 billion from previously enacted federal spending, including \$7 billion that would have gone towards health care. The bill passed 210-206. A **NO** vote is a pro-retiree vote. H.R. 3, Roll Call 243, June 7, 2018.

4 SNAP Work Requirements

Rep. Conaway, R-TX, introduced a bill that expands work requirements for individuals 18 to 59 years old receiving Supplemental Nutrition Assistance Program (SNAP) and institutes an onerous reporting mandate. Two million beneficiaries would lose benefits. The bill passed 213-211. A **NO** vote is a pro-retiree vote. H.R. 2, Roll Call 284, June 21, 2018.

5 Repeal Medical Device Tax

Rep. Paulson, R-MN, introduced legislation to repeal the 2.3% excise tax on medical devices. The medical device tax is integral to health care financing and the repeal would increase the deficit by \$2.2 billion a year. The bill passed 283-132. A **NO** vote is a pro-retiree vote. H.R. 184, Roll Call 372, July 24, 2018.

6 Increased Health Care Costs

Rep. Roskam, R-IL, introduced legislation that would allow insurance premium tax credits to be used to purchase lower coverage health plans outside of the exchange. The result would be increased costs for 50 to 64 year old Americans who purchase health care on the exchanges. The bill passed 246-176. A **NO** vote is a pro-retiree vote. H R 6311, Roll Call 376, July 25, 2018.

7 Health Care Tax Shelters

Rep. Jenkins, R-KS, introduced legislation that would expand health savings accounts (HSAs). Studies conclude HSAs only benefit wealthier Americans. Only 5% of Americans with incomes under \$100,000 have HSAs. The bill adds between \$70 to 95 billion to the deficit. The bill passed 277-142. A **NO** vote is a pro-retiree vote. H.R. 6199, Roll Call 377, July 25, 2018.

8 Retirement Tax Shelters

Rep. Kelly, R-PA, introduced legislation creating a new type of savings account that allows Americans to contribute up to \$2,500 a year with tax free withdrawals. The plan is a new tax shelter for wealthy Americans. The bill passed 240-177. A **NO** vote is a pro-retiree vote. H.R. 6757, Roll Call 411, September 27, 2018.

9 Skewed Tax Cuts

Rep. Davis, R-IL, introduced legislation that makes permanent the tax cuts for individuals. It also makes permanent the cap on mortgage interest deductions and the deductions of state and local taxes. These provisions disproportionately harm seniors who often have their major assets in their home values. The plan increases the deficit by \$650 billion. The bill passed 220-191. A **NO** vote is a pro-retiree vote. H.R. 6760, Roll Call 414, September 28, 2018.

10 Medicaid Protections

Rep. Barton, R-TX, introduced a bill to reauthorize the Money Follows the Person (MFP) and the Medicaid spousal impoverishment provision for three-months. MFP allows older adults and the disabled to transition from a nursing home into the community. Medicaid spousal impoverishment protects from poverty an individual whose spouse is receiving home care. The measure passed 400-11. A **YES** vote is a pro-retiree vote. H.R. 7217, Roll Call 428, December 11, 2018.
