Regional Executive Board Member Election Procedures

Under the Alliance for Retired Americans Bylaws, at the regional meeting delegates elect four Regional Executive Board Members. Three come from the sub-regions and one is an At-large Executive Board Member who represents self-enrolled members from the entire region.

The nominations process is as follows (By Laws Article IX, 3.):

Sponsoring organizations submit nominations for the Regional Board member from the sub-region in which the sponsoring organization has members. A sponsoring organization is defined as an organization that pays for enrolling individuals in the Alliance.

State Alliances and at-large members may submit nominations for the position of At-large Regional Board Member for the entire region.

All nominations must be received by the Alliance sixty (60) days before the regional meeting.

Once the nomination period is closed, the Alliance shall promptly send a list of all nominees within the sub-region to the State Alliances within each of the sub-regions. The Alliance sends a list of all nominees for At-large Regional Executive Board Member to the State Alliances in the entire region.

The Bylaws (Article IX, 4.) require that no more than four Regional Members of the Executive Board can be from the same sponsoring organization.

At the regional meeting, each sub-region has a caucus and elects one Regional Executive Board Member from a sub-region. Sponsoring organizations, which have members in the sub-region, State Alliances from the sub-region and self-enrolled members from the sub region can all vote at the sub-regional caucus. After the sub-regional caucuses conclude, the self-enrolled, at-large members have their own caucus to elect one At-large Regional Executive Board Member.

The number of delegates that sponsoring organizations, State Alliances, and self-enrolled members are entitled to send to the regional meeting and the number of votes each group is entitled to cast, is determined under Article VIII, section 3 of the Bylaws. Sponsoring organizations have the number of votes equal to their annual dues paid to the Alliance. State Alliances have ten votes. Self-enrolled members share the total number of votes equal to the cap on sponsoring organizations contributions divided equally by the number of self-enrolled members in good standing (measured 60 days before the regional meeting) who attend the meeting.

At the regional meeting a quorum is thirty percent of the state Alliance delegates present and qualified to vote at the regional meeting. The Secretary-Treasurer determines voting strength and good standing for purposes of the regional meeting.
