Congressional Voting Record

117th Congress, 1st Session
January 2021 — December 2021

This past year we saw seniors continue to be the Americans most vulnerable during the coronavirus pandemic. Thankfully the COVID-19 vaccines and improvements in treatment have reduced the number of people, particularly older Americans, dying from this disease. Nevertheless, more than 900,000 Americans have now lost their lives due to COVID-19, and the coronavirus has caused the death of one out of every 100 seniors.

The pandemic continued to shape the work of the Alliance for Retired Americans. We worked harder to help and protect older Americans. We expanded our member outreach. We called on Congress to include the needs of older Americans in all coronavirus stimulus and relief packages. We sharpened our skills in order to reach our elected officials efficiently and productively despite the changed circumstances.

A new administration and Congress came to Washington and delivered immediate results for retirees. The American Rescue Plan stabilized pensions for nearly 10 million Americans, a longtime Alliance priority. Seniors received stimulus payments that not only helped themselves but kept the economy from stalling. We commissioned a national poll of seniors regarding prescription drug prices. It found that more than ever older Americans want Medicare to negotiate for lower drug prices now, and the issue will continue to be critical for older voters in 2022.

There is still much work to do. We are at work to expand Medicare to include hearing, dental, and vision benefits and to put a cap on insulin prices and other out-of-pocket drug costs. Retirees need expanded Social Security benefits and a more realistic COLA to keep up with the rising costs. We are at work fighting voter suppression laws that make the basic right to vote unnecessarily difficult, especially for older voters.

This Voting Record reflects how committed our elected representatives are to retirees and older Americans. Use it to educate yourself on where your elected representatives stand. Get active today and help create an America that protects the health and economic security of seniors, strengthens families and builds safe and thriving communities.
