2 Kennedy, Jr. Nomination

The Senate voted to confirm Robert Kennedy, Jr. as Secretary of the Department of Health and Human Services. He has also touted controversial therapies and advocated for unproven theories about COVID-19 cures. Dr. Oz was confirmed 53-45. A **NO** vote is the pro-retiree vote. PN 12-34, Roll Call 167, April 3, 2025.

4 Bisignano Nomination

The Senate voted to confirm Frank Bisignano as Commissioner of the Social Security Administration. Mr. Bisignano refused to contradict Elon Musk's claim that Social Security is a Ponzi scheme. He failed to demonstrate an understanding of the unique needs of older and disabled Americans, particularly those with limited access to or familiarity with technology. Moreover, he did not disavow support for privatization schemes or replacing SSA workers with AI. Bisignano was confirmed 53-47. A **NO** vote is the pro-retiree vote. PN 20, Roll Call 234, May 6, 2025.

5 Stop Medicaid Cuts

The Senate voted on a motion by Sen. Wyden, D-OR, to return the One Big Beautiful Bill Act to the Senate Finance Committee. The motion would have struck Medicaid cuts. Seniors rely heavily on Medicaid, which covers 63% of nursing home expenditures and provides Long-Term Services and Supports to 5.6 million older Americans. The motion failed 47-53. A **YES** vote is the pro-retiree vote. H.R. 1, Roll Call 335, June 30, 2025.

6 Nutrition Assistance

The Senate voted on a motion by Sen. Lujan, D-NM, to return the One Big Beautiful Bill Act to the Senate Finance Committee. More than 6 million older adults rely on SNAP for basic nutrition assistance. The motion failed 49-51. A **YES** vote is the pro-retiree vote. H.R. 1, Roll Call 337, June 30, 2025.

7 Medicare Expansion

The Senate voted on an amendment by Sen. Sanders, I-VT, to cut the price of prescription drugs under Medicare in half and expand Medicare to cover dental, vision, and hearing. A **YES** vote is the pro-retiree vote. S. Amdt. 2435 to S. Amdt. 2360 to H.R. 1, Roll Call 362, July 1, 2025.

8 Medicaid Cuts

The Senate voted on the passage of the One Big Beautiful Bill Act. The legislation provides nearly \$5 trillion in tax cuts for the wealthy and corporations while slashing Medicaid by \$1 trillion and SNAP by \$186 billion, threatening nursing home care and home and community-based services. It also accelerates the insolvency of the Social Security and Medicare Trust Funds by one year. The bill passed 51-50. A **NO** vote is the pro-retiree vote. H.R. 1, Roll Call 372, July 1, 2025.

9 Expand Seniors' Programs

The Senate voted on the Continuing Appropriations and Extensions Act, introduced by Sen. Murray, D-WA. The legislation funds the federal government and requires the Trump administration to cease impounding previously approved funding. It also permanently extends the ACA Premium Tax Credits, preventing an estimated 4-5 million people from losing their health insurance, and restores \$1 trillion in Medicaid cuts. The bill failed 47-53. A **YES** vote is the pro-retiree vote. S. 2882, Roll Call 536, October 1, 2025.

10 Lower Health Care Coverage

Motion to invoke cloture on the motion to proceed to S. 3386, Roll Call 643, December 11, 2025.

It also cuts \$230 billion in SNAP, which millions of older Americans depend on. The Resolution passed 217-215. A **NO** vote is the pro-retiree vote. H. Con. Res. 14, Roll Call 50, February 25, 2025.

3 Seniors' Programs Cuts I

The House voted on a Full-Year Continuing Appropriations and Extensions Act, introduced by Rep. Cole, R-OK. The legislation freezes government funding for a year, enabling reductions in workers at the Social Security Administration, leading to office closures, longer wait times, and benefit backlogs. The bill also cuts \$280 million from NIH and undermines research on cancer, Alzheimer's, and heart disease. The resolution passed 217-213. A **NO** vote is the pro-retiree vote. H.R. 1968, Roll Call 70, March 11, 2025.

4 Voter Disenfranchisement

The House voted on the SAVE Act, introduced by Rep. Roy, R-TX. The bill would require every American citizen registering to vote to provide a passport, a birth certificate, and a current photo ID. The legislation would disenfranchise millions of citizens and directly impact nearly 70 million married women. It would particularly affect rural voters, students, and seniors. The bill passed 220-208. A **NO** vote is the pro-retiree vote. H.R. 22, Roll Call 102, April 10, 2025.
